

Introducing *Vision Magazine's* Vision Video Lounge!

Vision Video Brochures has emerged as one of the most powerful marketing tools available. Think of Vision Video Brochures as a full color brochure come alive with exciting special effects that traditional advertising just can't offer.

Samples can be experienced at: visionmagazine.com/Video_Lounge reaching 200,000 readers monthly! Use Video Brochures to CAPTIVATE, EDUCATE & MOTIVATE audiences to become enrolled participants in your program. Your Video Brochures can be used for your internet website. Our technical team can assist you on how to do this.

According to the Wharton School of Business...

- Video / DVD brochures increase memory retention by approximately 50%
- Video / DVD brochures expedite buying decisions by 72%
- Six times as many people will respond to an offer made in Video Brochures.

Within our industry we have broken down the various categories that you can be placed in:
